Mix & Match

Medicom SafeMask Premier Elite Earloop Mask

High-barrier mask (ASTM Level 3) for examining or treating high-risk patients and for procedures involving high levels of spray, splatter, moisture and airborne particles. Smooth, stretchy, latex-free, ultrasonically sealed earloops prevent irritation and allow easy removal with a lower risk of self-contamination. An adjustable nosepiece provides a comfortable, personalized fit. Shingle pleat design prevents fluid pooling and cross-contamination. Non-woven layers will not lint, tear or shred.

Rapport Service Plan Preventative maintenance - 2023

Details of the Rapport Service Plan

01 | Rapport 01 – includes a monthly check up on all your equipment by one of our knowledgeable service reps. After the check is completed, you will receive a report detailing key checks and the condition of your equipment. Many smaller problems, will be corrected such as split tubing, handpiece pressure problems, and other routine adjustments that your equipment requires. Left undetected these can lead to downtime and expensive emergency calls. Consider this as an investment.

02 | Rapport 02 – is similar to 01 but the frequency is once a quarter instead of once a month. Again, you will receive a detailed report and have the assurance that your equipment is being kept in good working order.

03 | Rapport 03 – Is the “Heart & Lungs” service program to cover your critical equipment: your compressor, vacuum system, and your sterilization equipment. This can be scheduled either monthly or quarterly depending on your needs.

On Demand Service – Many clients still choose to call when they have a list of repairs or when they need an urgent repair; we call this “On-Demand service.” Try us today; you will find prompt, professional, and proactive service. We promise.

Central Dental Solutions Rapport service plan is our comprehensive and flexible servicing scheme. It ensures your equipment is always fully maintained, so you can focus on caring for your patients.

Customer returns policy

Return authorization

Please call our office for a "Return Authorization Number" (RA). We will send our designated courier to pick up the item. Those preferring to consult their Sales Representative may do so, providing that the RA is provided before returning goods for credit and/or repairs. Returned items received by our Customer Returns Department without prior authorization may result in the returned item being denied for credit and/or repair.

Restocking fee

The restocking fee is 15% will apply on goods returned within 90 days. Please call for applicable restocking charges on goods returned after 90 days. Items partially used are not returnable unless the item is found defective.

Defective items

In the event an item is defective, please contact our office with the item and lot number. CDS will measure the severity of the defect, and the manufacturer notified. We may require the item to be returned for analysis.

Shipping

Please return the item in the original, unmarked, unopened package along with a copy of the original invoice. Returns shipped 'collect' will not be accepted. Items returned must be packaged in a corrugated box to avoid damage during shipping. Please mark the return authorization number (RA) on the copied invoice only. Liquid items should be packaged in a separate shipping container. Please call the office for any hazardous material shipping instructions.

Returns of goods used in the mouth

For your protection, any goods used in the mouth, including handpieces and equipment that have had the packing opened, may not be returned for credit. These items will be repaired or replaced in accordance with manufacturer warranties. If a handpiece or equipment is returned that falls out of the manufacturer's warranty period, an estimate will be provided for the repair.

Special order items

Special order items are not returnable. On an exception basis, they will be subject to a 25% restocking fee. These special order items are not regularly stocked in our distribution centre and have been specially ordered for you, and confirmed by our Sales Representative.

Failure to comply with one or all of these return policies will result in credit being denied.
